

ANGEL PRINTS CORPORATION

2023 ANNUAL REPORT

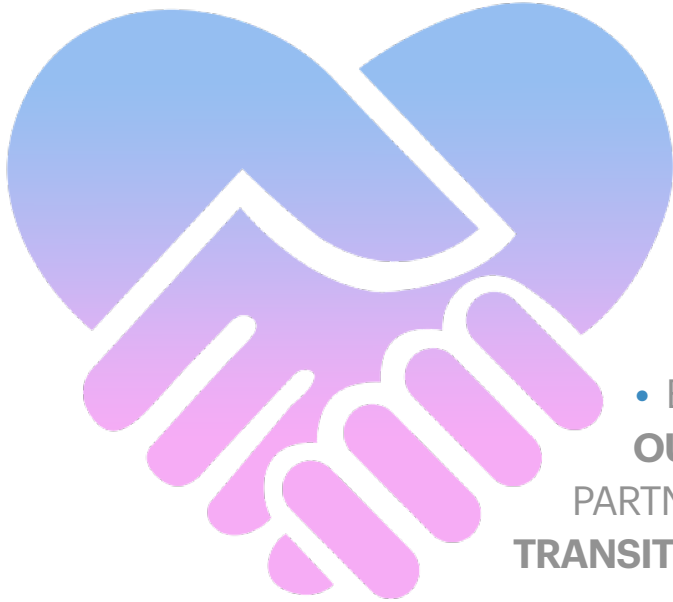

2023 ANNUAL REPORT

2023 was definitely a year to remember for our organization! The milestones and achievements we experienced are a direct result of not only the hard work put forth in our community but also the dedication, engagement, and unwavering support of our donors, partners, and volunteers. Our heartfelt gratitude and appreciation for your belief in our mission extend far and wide.

2024 OUTLOOK

As we shift our focus to 2024, we remain committed as ever to our mission of supporting mothers, couples, and families who have experienced the heart-wrenching tragedies of pregnancy loss, stillbirth, and/or infant loss. While we believe that our work thus far has laid a firm foundation for where we currently stand, we recognize the opportunity that awaits for us to expand and step up our efforts even more.

EXPANSION. One of our goals for 2024 is to begin offering peer support groups as well as 1-on-1 peer support. Through these avenues, we will provide a safe space for individuals and families to connect, share experiences, and find solace in the company of others who understand their journey. Expanding our service offerings into these areas will allow Angel Prints to become a more well-rounded organization and an even better asset to our community.

CAPACITY BUILDING. We believe complacency is the enemy to any and all progress. That's why we will always look for ways to improve as an organization, gain more knowledge, and become more proficient and efficient. Here are 5 key elements of capacity building we will focus on in 2024 to better our organization:

- 1. Strategic Planning**
- 2. Resource Mobilization**
- 3. Monitoring and Evaluation**
- 4. Partnership and Collaboration**
- 5. Leadership Development**

COMMUNITY ENGAGEMENT. The heartbeat of our organization is the very community that we serve. We recognize the value and mutual benefit of engaging more with our community to create the kind of sustainable change we desire to see. In an effort to increase the visibility of Angel Prints and continue building lasting partnerships and relationships, we look to engage with our community more in 2024 by doing the following:

- 1. Increasing our presence at community events**
- 2. Becoming more active on social media**
- 3. Holding Lunch & Learn sessions**

As we conclude our optimistic outlook for 2024, we extend our heartfelt gratitude to each supporter, volunteer, and partner who has been an integral part of our journey. Your unwavering commitment in support of our mission is the driving force behind the positive impact we aim to achieve this year.

In the spirit of collaboration, compassion, and continuous growth, we look forward to a year filled with transformative initiatives, meaningful connections, and significant strides toward increasing awareness of pregnancy loss, stillbirth, and infant loss. Together, we stand united, poised to overcome challenges, embrace opportunities, and make a lasting difference in the lives we touch.

As we embark on this exciting chapter, let us carry forward the collective energy, enthusiasm, and dedication that define our community. Your support is the cornerstone of our success, and with your continued partnership, we are confident that 2024 will be a year of inspiration, empowerment, and positive change.

Thank you for being an essential part of our family. Here's to a year of shared accomplishments, resilience, and the unwavering belief that together, we can make a profound impact on the world.

With gratitude,

Brandon & Toshina Wiggins
